The BLS Field Guide is a smaller, more portable companion book to the Comprehensive Guide to First Aid and the Canadian Red Cross Emergency Care for Professional Responders text book. You will refer to the BLS Field Guide throughout your Canadian Red Cross Basic Life Support, Oxygen Therapy, or Airway Management course in Kelowna and Vancouver, BC. A significant part of your Basic Life Support training involves familiarizing yourself with the Field Guide, and learning how to use it as an on the spot guide when you encounter an emergency. The information in the Canadian Red Cross BLS Field Guide follows the guidelines from the most currently recognized International Liaison Committee on Resuscitation (ILCOR) and Canadian Consensus on Science and Treatment Recommendations (CoSTR) recommendations. Your Canadian Red Cross certified BLS instructor will provide you with a classroom copy of the Basic Life Support Field Guide to utilize in your BLS course. You can also download a PDF copy of the Wilderness First Aid Field Guide for free, and keep it stored for quick, easy access on your computer, laptop, tablet and smartphone.
